

# PATRAN<sup>®</sup>XS

SLIDE TO SAFETY

## PATRANxs Single Patient Use Slide Sheet

*Jamar Health Products, Inc., produces the largest variety of single-patient, multiple-use slide sheets. We are the leader in this category of safe patient handling devices.*

### Safe patient handling

PATRANxs reduces caregiver injuries, provides patient comfort, reduces skin shear and eliminates cross infection. It is used for lateral transfer, repositioning, and other patient-handling tasks. Using PATRAN<sup>®</sup> slide sheets cuts workers' compensation costs and increases patient satisfaction.

### No weight limit

There's no limit to the weight of a patient who can be moved with PATRANxs. However, caregiver standards should be considered as it takes more effort and people to safely move a 700-lb. patient than a 200-lb. patient.

### Preferred uses

PATRANxs gets the most use in areas where there are enough caregivers to hold the head and feet of the patient, such as OR, endoscopy and labor and delivery. It is also preferred for inserting portable x-ray cassettes, seated repositioning and mobility exercises. Log-rolling the patient isn't required when using PATRANxs.

### Number of uses

PATRANxs can be used about 30-plus times with the same patient.

### Nondirectional

PATRANxs is slippery and moves in all directions. Use it to assist with more than 20 different patient-handling tasks.

### Convenient

PATRANxs is individually folded so it can be carried or put in a patient's room. Any PATRANbari product can be made into Solo or Pocket style slide sheets.\* Solos are individually bagged versions. Pockets are more compactly folded and individually bagged to fit in a caregiver's pocket or a tight space. Wall dispensers are also available. Having PATRANbari close at hand is critical to compliance.

*\*Additional lead time may be necessary and pricing will be higher with special option requests.*

### Training

Training is important. We offer written and video instructions.

### Warranty

Jamar Health Products, Inc., will replace any defective PATRAN products for a period of two years from the date of purchase. The warranty includes freight within the USA.

PRODUCT #/NAME	SIZE (INCHES)	COLOR	PACKAGING/REMARKS
